The United States House of Representatives, with 435 elected members, is the lower house of the United States Congress and, together with the Senate, is the national legislature of the United States. The Congressional office buildings are part of the Capitol complex and are under the authority of the Capitol Architect. The office buildings house the individual offices of each U.S. representative as well as committee hearing rooms, staff rooms, multiple cafeterias, and areas for support staff, committees, and maintenance.
Sodexo Contributes to the Quality of Life of Members of Congress, their Staff, Visitors and Guests by Offering:

- Flexibility in the organization and distribution of staff to allow us to respond to new or priority service needs while maintaining service levels
- Sodexo’s proven approach to client satisfaction through wellness, efficiency and innovation

A United Team

Human Resources/Protocol Manager, Marketing Manager, Operations Manager, Retail Sales Manager, Delivery Manager, Vending Manager, Service Men and Women, Cashier, etc.

All accompanied by the company and its policy of motivation through permanent training.
