* Actual voting rights: all of the Company shares have the same voting rights, except for treasury shares which do not have voting rights and nominative shares held for more than four years, which have double voting rights.

** Theoretical voting rights: the number of theoretical voting rights is calculated based on the total shares having either single or double voting rights, including shares temporarily deprived of voting rights (treasury shares).

**About Sodexo**

**Sodexo, world leader in Quality of Daily Life Solutions**

Quality of Life plays an important role in the progress of individuals and the performance of organizations. Based on this conviction, Sodexo serves as the strategic partner for companies and institutions that place a premium on performance and employee well-being, as it has since Pierre Bellon founded the company in 1966. Sharing the same passion for service, Sodexo’s 380,000 employees, in 80 countries design, manage and deliver an unrivaled range of On-Site Service Solutions and Motivation Solutions. Sodexo has created a new form of service business that contributes to the economic, social and environmental development of the communities, regions and countries in which it operates and to the fulfillment of its employees.
